## Tasting of Mexican wines Other wineries Whites

### **San Pedro 1997 Chardonnay**

3rd place winner for Chardonnays at the 1997 world competition in Bordeaux, France!

Oak-aged and buttery with a rich, golden yellow color and big floral bouquet. Perfect with fish, fowl, rich cream and butter sauces.

### **El Gran 1999 Divino (sweet white)**

A glowing apricot color hints at the thick, honeyed flavors to come. A finishing, herbaceous note gives this sweet nectar contrast and interest.

### **Flor de Guadalupe 2002 Blanc de Blanc (white blend)**

This wine's starring quality is its mouthfeel - a pleasing, oily weight on the tongue. Somewhat quirky in style, it begins with citrus aromas and finishes with bitter herb.
